

## ACCOMMODATION FOR INTERNATIONAL STUDENTS

### Caledonian Language School Ltd

Our students are adults, mainly in their twenties, who are in Edinburgh for medium-length English Language courses of 8-12 weeks. We aim to match students with appropriate families.

This questionnaire is to allow us to know a little more about you and the accommodation you have. Some of the security questions may seem rather personal, but you will appreciate that we have to ensure the safety of our students.

We look forward to working with you in the future.
